---

## SUMMARY

Enthusiastic Computer Science graduate (2025) with strong programming skills in Java and web technologies. Quick learner with excellent communication and problem-solving abilities, passionate about developing dynamic and efficient applications. Experienced in frontend, backend, and database development through academic projects, internships, and certified training programs.

---

## EDUCATION

### **Bachelor of Engineering (B.E.), Computer Science & Engineering**

BGS Institute of Technology, Adichunchanagiri University | Dec 2021 – May 2025 | CGPA: 7.74 / 10

### **Pre-University**

Sadvidya PU College, Mandya | July 2021 | 80%

### **Secondary School**

Daffodils International Public School | April 2019 | 83.36%

---

## TECHNICAL SKILLS

- **Programming:** C, Core Java, OOPs, Multithreading, Exception Handling, JDBC, JEE
  - **Web Development:** HTML, CSS, JavaScript
  - **Databases:** MySQL, PostgreSQL
  - **Version Control:** GitHub
- 

## PROJECTS

### **Friend Request Management System | DBMS Mini Project**

- Built a user-friendly interface using HTML and managed friend request data with MySQL. - Implemented features for sending, accepting, and declining friend requests with real-time status tracking.

### **Inference of Brain States under Anesthesia | Deep Learning Project**

- Developed meta-learning-based deep learning models for brain state monitoring during anesthesia. - Improved understanding of brain dynamics and contributed to enhanced patient safety.
- 

## INTERNSHIP

### **AI/ML Internship | GTTC, Magadi**

- Gained hands-on experience with machine learning algorithms and their real-world applications.
-

## **CERTIFICATIONS**

- Java, Programming in C, and Data Structures & Algorithms in Java – **Infosys Springboard**
- Python Programming – **Infosys Springboard**
- Java Full Stack Web Development – **Tap Academy**

---

## **COURSEWORK / TRAINING**

- Java Full Stack Web Development | Tap Academy
- Completed training in Java, Spring Boot, React, HTML, CSS, JavaScript, and MySQL for developing dynamic web applications.

---

## **LANGUAGES**

- Kannada
- English
